

SPEAKER INTRO

Our next speaker will help you build better and deeper relationships in your personal and professional life. How? Using the power of asking!

He is an expert in asking powerful questions that create connection, engagement and high performance.

Today you will learn how to spark the impact you want to create in yourself and those around you.

How asking for the things you want and need can boost your engagement?! I am curious to know. He is a global keynote speaker who was born and raised in Mozambique, Africa. He has delivered keynotes and masterclasses throughout Africa, Europe and North America.

Our guest speaker loves collecting people's stories and experiences about the power of asking... and you're about to hear some of them.

Please help me give a powerful, warm, [country/city (e.g. South Korean)] welcome to... Lerio Cunhaaaaaa!
